GENERAL EDUCATION (G) DEPARTMENT

No: 52957/G2/2012/G.Edn.

Thiruvananthapuram
Dated, 2/11/2012.

CIRCULAR

Sub: Enrolment of school children to Aadhar (UID number) -
Speedy enrolment process - Circular Instructions - Regarding.

Ref: Minutes of the meeting on UID, NPR held on 10-10-2012 in the
chamber of Principal Secretary, Information Technology.

In the meeting convened by Principal Secretary, Information Technology on UID, NPR held on 10/10/2012 it was stated that Government plans to link, payment of welfare schemes, scholarships and other Government services to Aadhaar (UID Number) by April, 2014. Aadhaar in operation would have far reaching impact on society, in terms of eliminating duplication of beneficiaries, making Government service delivery faster and transparent and avoid intermediaries.

On review of the ongoing enrolment process, it was observed that children enrolment has not come up to the expected level and that to promote enrolment process, the services of Headmasters of schools can be utilised to send the message across to the students that Aadhaar (UID) enrolment is necessary. It was also decided that no more benefits such as scholarship, grants, issue of certificates, participation in competitions etc will be extended from next academic year onwards to those children who are not enrolled by the end of 31st March 2013.

In the above circumstances attention of all the DEOs/AEOs/Heads of Schools are invited to the above and they are instructed to take all possible steps to complete the enrolment of school children to Aadhaar/NPR under their administrative control with in the above time limit.

The Director of Public Instructions and the Deputy Directors of Education will take further appropriate action to ensure compliance of the above instructions.
